October 9, 2015

TO: Regional Street Naming Committee

FROM: Bradley Kaneyuki, Technology Services / GIS

SUBJECT: Request to Name an Existing Unnamed Street/Easement

#### BACKGROUND:

On Monday, August 15<sup>th</sup>, 2016, William T Orr contacted GIS, Technology Services to assign an address on his property, APN 55206012. In order to reach the closest public county road, his landlocked parcel has access to only a private easement. The easement runs north from E GOLDEN VALLEY RD to a quarry mine just east of MINE RD for approximately half a mile (see attached map). He has proposed to name the private easement as BUCK RIDGE RD. GIS has performed its due diligence by checking the street name against the Master Street Directory for any existing street name duplicates or similar phonetically-sounding street names for the purposes of Emergency Management. BUCK RIDGE RD has been entered into the Reservation table of the Master Street Directory.
